**SUMMER SESSION WILL BE CLOSED ON
THE FOLLOWING DAYS:**

REVISED

- Monday, 4th of July
- Thursday & Friday, August 18th & 19th- staff work days

As July begins, our kids learn about the 4th of July holiday and all the fun festivities and celebrations surrounding it. Lots of red, white and blue activities will be planned over the week of July 4th. We hope all our families enjoy the long weekend and return back safely on July 5th! Mid month the children will turn their attention to the sky as the solar system, moon, stars and planets are introduced. *The bible verse for this lesson is "God made our world" found in Genesis 1:20-25.*

Be on the look out for Fall registration paperwork and information mid july.
